### **REASONS FOR ALLOWANCE**

1. Claims 25 and 29-37, now claims 1-10, are allowed.

2. The following is an examiner's statement of reasons for allowance:

With respect to claim 25, Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest all the claim limitations in combination, including a transmitter that transmits first predetermined bit pattern data to a receiver when the transmitter is in an error recovery state, transmits second predetermined bit pattern data to the receiver after receiving a response of the first predetermined bit pattern data from the receiver and transmits data stored in a buffer when a link error is recovered.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
